

AUDIO READING SERVICE

AUDIO READING
SERVICE

Using your TV to enjoy **AUDIO READING SERVICE**

Thanks to a partnership between PBS Fort Wayne, The Allen County Public Library and Audio Reading Service, any citizen within reach of PBS Fort Wayne's broadcast signal can engage Audio Reading Service by turning their TV to channel 39.4 and making a simple adjustment to the audio program for that channel.

Please note: These instructions are broad in nature; every TV and remote may have slightly different instructions for you to follow. Please consult your on-set instruction manual or the hard copy manual that came with your television to be certain of any changes you make in your reception. Also, if you have a pay TV service provider in your home, you may wish to contact them to see how this will work through the signals they provide to your home.

- 1** **Tune to channel 39.4 using your television's remote.**
- 2** **Press the "Menu" button on remote for on-screen instruction.**
- 3** **Find the "Language" setup menu in either the main setup or audio menu.**
- 4** **Select the option to change the audio language.**
- 5** **Change the selection from "English" to "French".**
You should hear the audio change from the 39.4 broadcast, to the Audio Reading Service broadcast in English. You will still see the 39.4 video.

AUDIO READING SERVICE

The programs and services offered through Allen County Public Library seek to engage the community through lifelong learning and discovery. ACPL's Audio Reading Service provides broadcast and digital access to audio readings of local news, magazines and other programming for individuals who have visual, physical, learning or language challenges to reading normal print.

PBS Fort Wayne

The Mission of Fort Wayne Public Television, PBS Fort Wayne, is to provide high quality telecommunication services which enhance the quality of life in the communities we serve through educational, informational, cultural, and entertaining programs and services.

PBS Fort Wayne is the northeast Indiana region's only public television broadcaster and sole locally owned-and-operated television station. We broadcast four channels 24-hours daily:

- PBS Fort Wayne/39.1
- PBS Kids/39.2
- Create TV/39.3
- Explore/39.4
- PBSFortWayneWX Weather/39.5
